

Creative homework Projects for our Home Learning Heroes!

The children in Year 2 will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. They will be able to demonstrate their creative talents and share their findings with the whole class.

Your child should choose at least one task. We hope you see this as an opportunity to support your child in their learning as well as having fun!

All work produced will be on display in your child's classroom and will be awarded a certificate.

We look forward to seeing the results and would like the children to bring their completed projects into school from the 13th February so that they can share and celebrate each other's achievements.

May we take this opportunity to thank you for your

Continued support.

The Year Two Team

Miss Fletcher

Mrs Crawford Brown

Mrs Skidmore

Mrs O'Brien

Land Ahoy! - Creative Homework Projects

Please complete at least ONE of the tasks. Here are some ideas to help you. Please bring to school from 13th February 2017 Good Luck!

Make a book

Make a book about a famous boat or ship. Write some interesting facts, download images or draw pictures. REMEMBER to ask an adult when using the internet.

Visit

Why not visit a museum and write about your experience. Take some pictures to present to the class about your visit.

Library

Visit the library and borrow some non-fiction or fiction books about pirates or explorers. Write a book review about the book you have read.

Get creative

Make a boat. What materials will you use? How will you design it? What will you put in it? Can it float on water?

Treasure

Make a treasure chest filled with treasure. Use recycled materials. What will your treasure be? Who does your treasure belong to?

Make a map

Make a treasure map. Can you stain the paper with a damp tea bag to make it look old? Where is the treasure hidden? Can you write some instructions for someone to find the treasure?

Map skills

Get a holiday brochure. Look up all the countries featured in it. Can you find these countries on a map? What is the weather like there? Would you like to go there? Write about why you would like to go there.

Co-ordinates

Draw a grid and create a trail on a map that requires co-ordinates to find the treasure. Write the co-ordinates for someone to discover the treasure.

Battleships

Look up the instructions for the game battleships. Can you create your own battleships game? Use old cereal boxes and recycled materials to create it. 'You sank my pirate ship!' 'Arrrrrrrrrr!'
