

Key Stage 1 Home Learning Projects

1DR and 1M

Our new topic 'Enchanted Forest' is set in fairytale woodland. Watch out for the Big Bad Wolf! Here are some '**Creative Homework Projects**' that we would like the children to complete over the coming weeks. These will allow the children to extend their understanding of the subject, demonstrate their creative talents and share their learning with the rest of the class.

Your child should choose at least one task. Your child is likely to require support from you to complete the tasks and we hope that you enjoy working on them together. All work produced will be displayed in the classroom, entrance halls or display boards around school. We will also be sharing the work in assembly.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning 27th March so that they can share and celebrate each other's talents before the end of the term.

Thank you for your support.

Mrs Dayus, Mr Rivett and Mrs Warman

Mrs Mercer and Mrs Partridge

Enchanted Forest			
Writing Project Options 	Write a 'Who am I?' riddle about a woodland plant, tree or animal.	Plant some seeds and make a diary as your plants grow. Can you write some instructions?	Take photos of trees and plants in your local woods. Can you label them? Make a scrapbook and bring it in to show.
Research Project Options 	Measure the length or height of plants and leaves in your garden, park or woods. Find the longest leaf you can!	Find out about famous artists who use woodland for their inspiration. Andy Goldsworthy is an artist who uses natural objects.	Search the internet for pictures and facts about amazing woodlands and forests around the world.
Creative Project Options 	Make a miniature house and garden for an elf from natural materials such as bark, pebbles and pine cones.	Build a den with your family or friends. Draw a picture or take a photo and write some labels for the materials you used.	Make patterns or sculptures with natural objects in your garden. Take a photograph of your artwork to show at school.

We love to see what you can think of at home too! Use your imagination and get creative.
