

KEY STAGE 2 Home Learning Projects – Spring 1 2016

3/4 S/F/J

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is Enter the Nile, a project about Ancient Egypt.

We look forward to seeing the results and would like all the children to bring their completed projects into school the week beginning Monday 8th February 2016 so that they can share and celebrate each other's talents before the end of term. We would ask that this project reflects five weeks' worth of work, and demonstrates the children's own work, although we really appreciate your support in helping them complete their homework. The children should complete at least one piece of work, but may complete more if they would like. If school can help with resourcing the project please let us know.

Thank you for your continued support.
