

# Creative Homework Projects for our Home Learning Heroes!

The children in Year 1 will be learning about superheroes, both real and fictional, this term. We would like them to try out one or more of our 'Creative Homework Projects' over the coming weeks. They will be able to demonstrate their creative talents and share their learning with the whole class.

Your child should choose at least one task. We hope you see this as an opportunity to support your child in their learning as well as having fun! All work produced will be on display in your child's classroom and will be awarded a certificate.

We look forward to seeing the results and would like the children to bring their completed projects into school from **Monday 1<sup>st</sup> February** so that they can share and celebrate each other's achievements.

May we take this opportunity to thank you for your continued support.

Miss Brown and Mrs Partridge

## The Incredibles – Creative Homework Projects

Please complete at least ONE of the tasks. Here are some ideas to help you. Please bring to school from **1<sup>st</sup> February**. Good Luck!

### Design

Plan or make a lunchbox fit for a superhero. Make up a song or rhyme about a superhero.

### Musicians

Listen and hum along to the theme tune from your favourite superhero TV programme. Can you remember all the words? You could sing about their strengths and skills and promote their vision for world peace and harmony.

### Photography

Take pictures of yourself being a 'superkid' at home. Maybe you tidied your room or helped wash the dishes? Bring your pictures to school to explain to your classmates what you did and how it helped your family.

### Eco Heroes

Design (on paper or using a computer) a poster featuring a new superhero such as Anti-Litter Man and convey their important message. Make a table of traits or characteristics comparing a villain with a good guy.

### Research

Interview someone who works for the emergency services about their job.

### 3D Model

Make a model of a superhero. You could use modelling dough, cardboard boxes and tubes, scraps of material or papier-mâché.

### Information

Use information books and the web to find out about Guinness World Record holders and their superhuman achievements.  
Read a newspaper with a parent or watch the news and see if you can spot any stories of people doing heroic things.

### Creative

Make a flipbook showing the adventures of a superhero stick person!

### Your Heroes

Who is your hero? Bring a picture of them to school and explain to your classmates why you chose them. If you could have a super power, what would it be? Would you be able to fly? Become invisible? See through buildings? Write about some of the adventures you might have.
