

Key Stage 1 Home Learning Projects

HB/TF/CM

The children in Key Stage One will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The projects follow our current theme of **Moon Zoom** and will allow the children to extend their understanding of the subject, demonstrate their creative talents and share their findings with the rest of the class.

Your child should choose at least one task. Your child is likely to require support from you to complete the tasks and we hope that you enjoy working on them together. All work produced will be displayed in the classroom, entrance halls or display boards around school. We will also be sharing the work in key stage one assemblies.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning 1st December 2014 so that they can share and celebrate each other's talents before the end of the term.

Thank you for your support.

Miss Brown and Mrs O'Brien

Miss Fletcher and Mrs Partridge

Mrs Mercer and Mrs Warman

Moon Zoom			
<p>Writing Project Options</p> 	<p><u>Poem</u> Can you create a poem about space and aliens?</p>	<p><u>Story</u> Can you write a story about a journey into space? You could create a book and draw pictures to go with it describing what you got up to.</p>	<p><u>Special Message</u> Can you create a special message to send to an alien explaining about life on earth?</p>
<p>Research Project Options</p> 	<p><u>Quiz</u> Can you create a quiz about the planets in our solar system for the children in your class to answer?</p>	<p><u>Information booklet</u> Can you create an information book about the planets in the solar system? You might want to write about what the planets are made up of.</p>	<p><u>Research</u> What facts can you find out about light and dark? Can you find out about different light sources? You can present your findings however you like (using ICT or creating a poster).</p>
<p>Creative Project Options</p> 	<p><u>Alien</u> Can you create your own space alien?</p>	<p><u>Board game</u> Can you create an alien board game which includes space tasks when you land on a square?</p>	<p><u>Spaceship</u> Can you create an alien spaceship or a space rocket to travel into space? You may want to make a model or create a picture of what it looks like.</p>
