

## KEY STAGE 2 Home Learning Projects

**3/4S 3/4F 3/4J**

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is Scrumdiddlyumptious, a project about food.

We expect everyone to complete at least one task and hope that many of you will have a go at more. Don't forget that you can develop your own ideas and projects too.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning Monday 12<sup>th</sup> October 2015 so that they can share and celebrate each other's talents before the end of this half term. We would ask that this project reflects several weeks' worth of work, and demonstrates the children's own work, although we really appreciate your support in helping them complete their homework.

Thank you for your continued support.

**Mrs Stacey and Mrs Wainman**

**Mrs Foley and Mrs Fannon**

**Mrs Jones and Ms Moore**

<b><u>Research</u></b>	<b><u>Alphabet challenge</u></b>	<b><u>Let's shop</u></b>
Research a festival that involves eating a special type of food and make an information booklet about it. There are lots to choose from. Can you make the food as well?	Make an alphabetic list of foods from A to Z. Is it possible? Can you find an interesting fact about some or all of the foods? Where does it come from? Is it a delicacy in some countries?	Write a shopping list for your family's weekly menu and calculate how much it will cost. Don't forget to look at the fair trade options.
<b><u>Food diary</u></b>	<b><u>Let's cook</u></b>	<b><u>Story starters</u></b>
Keep a food diary to record the different types of food you eat over the week. Report back, in your opinion, has your family got a balanced diet? If not how could you change some of the meals to make it more balanced?	Make a dish from a recipe book and take photographs to share back at school. Ask your family to rate their meal, did they enjoy it or not? (Remember to wash your hands before you get started!)	Write an imaginative story which starts..."You are not going to eat me are you?" said the ..... How will it develop? Are you eaten at the end, or saved?
<b><u>Let's dye it</u></b>	<b><u>Design, make and eat</u></b>	<b><u>Exercise anyone?</u></b>
Make a fabric dye from a strongly coloured fruit or vegetable. Try beetroot, carrots, tea or spinach. Dip-dye an old white t-shirt. What happens?	Design and make an exciting sandwich. Bring a photo of it into school for everyone to see. Maybe we will all go home and make it too?	Plan yourself a weekly exercise regime and encourage a parent/carer to do it with you? Keep a record of your achievements. Did you manage to exercise every day?
