

KEY STAGE 2 Home Learning Projects

SS/RF/SRJ

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project follows our current theme of Predators and will allow the children to extend their understanding of the subject, demonstrate their creative talents and share their findings with the rest of the class.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning 18th May 2015 so that they can share and celebrate each other's talents before the end of term.

Thank you for your continued support.

Mrs Stacey and Mrs Wainman

Mrs Foley, Mr Rivett and Mrs Fannon

Mrs Russell-Jones and Miss Moore

<p style="text-align: center;"><u>Library visit</u></p> <p>Why not visit the local library and to find non-fiction books about predators. Look for information using contents, glossary and index pages. Write down any new facts you have learnt and bring them to share with the class.</p>	<p style="text-align: center;"><u>Spelling challenges</u></p> <p>Learn how to spell the names of weird and wonderful predators of the world. The weirder the better!</p>	<p style="text-align: center;"><u>Sub groups of predators</u></p> <p>Under each sub group of predators list five or more examples and find facts about them. Choose from the sub groups mammals, birds, crustaceans, insects, arachnids, reptiles, fish and plants.</p>
<p style="text-align: center;"><u>Fun fact files</u></p> <p>Make a mini fact file or short Power Point presentation about your favourite predator and bring it into school to share with the class.</p>	<p style="text-align: center;"><u>Create a book</u></p> <p>Why not make your own non-fiction book about a predatory animal- maybe your pet cat?</p>	<p style="text-align: center;"><u>Glossary</u></p> <p>Can you write a glossary to explain all the specialist vocabulary of the topic?</p>
<p style="text-align: center;"><u>What am I?</u></p> <p>Can you devise a What am I? quiz about predators for the class to solve? How many questions will it take for them to get the right answer?</p>	<p style="text-align: center;"><u>Camouflage art</u></p> <p>In the wild predators camouflage themselves to help them hunt their prey. Can you create a piece of art work to show this? Remember to make it hard to see the predator in its surroundings.</p>	<p style="text-align: center;"><u>Food fun</u></p> <p>Predators are top of their food chains. Research a food chain for a predator of your choice. You can write it, draw it or complete it on the computer?</p>
