

Catshill First School and Nursery

2nd November 2015

**Invitation to KS2 Numeracy
Calculations Workshop**

Dear Parents and Guardians of KS2 children

We would like to invite you to join us on Thursday 12th November between 2:30 and 3:15 pm for a numeracy calculations workshop. The aim of the afternoon will be to show you the methods we are using in school to teach your child the four rules of numeracy, addition, subtraction, multiplication and division. During the afternoon we will show you the exact way we teach the children and help you understand how you can help your child at home. We will also provide you with a handout of the methods we use to take away with you for reference at home.

If you would like to attend this numeracy calculations workshop please sign and return the form below.

We look forward to seeing as many of you as possible next Thursday, however if you cannot make the workshop we will be sending home the handout to all parents soon.

Many thanks for your continued support

Sam Stacey
Maths Leader

I/we would like to attend the numeracy calculations workshop on Thursday 12th November from 2:30- 3:15pm.
