

SS/RH/SRJ

The children in Key Stage Two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project follows our current theme of Gods and Mortals and will allow the children to extend their understanding of the subject, demonstrate their creative talents and share their findings with the rest of the class.

We expect everyone to complete at least one task and hope that many of you will have a go at more. Don't forget that you can develop your own ideas and projects too.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning 3rd October 2014 so that they can share and celebrate each other's talents before the end of term.

Thank you for your continued support.

Mrs Stacey and Mrs Wainman

Miss Harris and Mrs Fannon

Mrs Russell-Jones and Miss Moore

<u>Gods and Mortals</u>		
<p><u>What did the Greeks eat?</u> Can you make a daily menu sheet for a Greek family? What wonderful fresh foods are available in Greece? Both then and now.</p>	<p><u>Mythical Creature Design</u> Can you design your own mythical creature? What animals' body parts could you include in your design? What personality will your creature have? Make your creature using junk materials and give it a fabulous name.</p>	<p><u>Be inspired by Greek art!</u> Look at online examples of pottery and create your own design for a Greek jug or bowl. You could either choose a scene from Greek mythology to represent in your artwork or maybe another familiar story. Remember to use colours typical of Greek art such as black, white, red and yellow.</p>
<p><u>Medical Matters</u> The Greeks had some very interesting ideas when it came to medicine. What would you be doing to your patients if you were a Greek doctor?</p>	<p><u>Holiday Dreams</u> Look at holiday brochures and travel websites. Plan a family holiday to one of the Greek islands! If money was no object where would you go? Cost the holiday of your dreams and work out how much it will cost in pounds and in Euros.</p>	<p><u>Are you an Athlete?</u> Be like an athlete ready to perform in the Olympic games and get fit by taking daily exercise. Time yourself each day, or record how many things you do, jumps, for example. Can you beat your personal best? Keep a journal and record of your results.</p>
<p><u>Famous Greeks</u> Find out about famous Greek philosophers such as Plato, Aristotle, Archimedes and Pythagoras. How did their work influence life today? Make a scrapbook using downloaded images and drawings and write informative sentences and captions.</p>	<p><u>Love Story</u> Read about Narcissus, the boy who fell in love with his own reflection. What is the moral of the story? Write a letter to Narcissus telling him to change his ways.</p>	<p><u>Myths to Remember</u> Read and re-tell a Greek myth, for example the story of Medusa. Re-tell the story and illustrate it. You could turn your work into a book with more than one Greek myth. Perhaps it could have an illustrated front cover too?</p>
