

Catshill First School and Nursery

Date of issue: Friday, 18 November 2016

Your trash could be our treasure!

Catshill First School and Nursery are improving our Forest School area to enable child initiated learning that sparks imagination and discussion. In order for Forest School to take place we need to add to our resources! If you have anything that you think may be useful we would be most grateful. Please bring anything you have to the office or see Mrs Crawford-Brown or Mrs Skidmore.

we need

YOU!

string
tools
material
rope or cord

buttons
ribbon
spoons
tarpaulin

old pots and pans

Old children's
clothing

old garden
equipment
bricks
sticks
buckets

bowls
children's wellies
logs

Spare time to help out in our Forest School Environment.
