Join us in the ILLUMINATE Lantern Parade!

To the Parents of

Artrix is delighted to be working in partnership with Bromsgrove District Council, the Town Centre Manager and The Friends of St John’s Church to develop a brand new seasonal event in which **Catshill First School and Nursery** is a key participant.

The event is called **Illuminate Lantern Parade** and it will take place from **4pm on Saturday 26 November on Bromsgrove High Street**. There will be entertainment to start, the parade will set off along the High Street at 4.30pm and head towards St John’s Church for some delightful festive music to round off the evening.

Artrix is offering a free lantern-making workshop for some of the families and children from **Catshill First School and Nursery** on **Tuesday 15 November at 15.30pm-17.30pm** and this will take place in **the school hall**. The workshop will take 2 hours. We would like to offer you and your family (a maximum of 4 people) a place and a chance to be involved in this workshop and parade. Both adults and children will need to be involved in making each lantern. Every family who takes part will need to attend the Illuminate Lantern Parade on 26 November and they will be able to keep their lanterns afterwards.

For more information please contact **Mr Rivett or Mrs Wainman**.

Catshill First School and Nursery ILLUMINATE Lantern Parade and Workshop

Child’s Name Class

I confirm that we would like to participate in the lantern making workshop in school on Tuesday 15 November at 3.30pm and the Lantern Parade in Bromsgrove on Saturday 26 November at 4pm.
