

CATSHILL FIRST SCHOOL AND NURSERY

Dear Parents/Carers

As part of our Geography for this half-term, we are investigating the cleanliness of water in streams. On 20th March at 1.30pm (weather permitting), Years 3 and 4 will be going to the Meadow (opposite Catshill Middle School) to collect water which will be used for their experiment. The adults will be collecting the water in plastic bottles.

Please make sure that your child has suitable footwear and a coat.

In the meantime, if you have any spare plastic bottles that we could use to collect the water we would appreciate you sending them in.

Many Thanks

Miss Mayo-Braiden, Mrs Stacey and Mrs Jones
