

Catshill First School and Nursery

Summer Holiday Challenges 2017

Can you complete 1, 2, 3, 4 or even all 5 of our challenges?

All entries will receive a certificate. There will be some prizes too!

1. Take five photos of different numbers (up to 100)!

We want to make a school number line. Can you add your photos to it? We will display them in school. Choose numbers that are important to you.

You don't have to print them out, send them to us: homelearning@catshillfirst.worcs.sch.uk
(please remember to put your name and new class)

2. Write a letter or an email to someone famous and see if they reply! Let us know who you wrote to and what you said. If you get a reply, bring it in to show us.

3. Make up a poem or song about our school values. The values for 2017-18 are: Responsibility, Community, Positive Attitude, Courtesy, Resilience, Love, Tolerance, Honesty, Fairness, Diversity and Friendship

4. **Make something that you (or someone else) can wear. Bring it in to show us or take a photo of you (or the person) wearing it. Use your imagination and creativity with this challenge!**

5. Write your own non-fiction (information) fact sheet or book about a subject that interests you. Bring your information into school to share with us.

With any of the tasks, you can send photos to us at: homelearning@catshillfirst.worcs.sch.uk
(please remember to put your name and new class)

Bring/send in your entries in the first week back in September.

These fun challenges are for any child from our school who wishes to take part.

Don't forget the libraries' summer reading challenge too. Pop along to Catshill Library or check <https://summerreadingchallenge.org.uk/> for all the details.
