

Catshill First School and Nursery

2 December 2016

Dear Parents/Carers

Please find attached a copy of Catshill Learning Community's Acceptable Use Agreement. The children and staff at school are all required to agree to these rules in order to have access to computing equipment in school.

Pupils in Years 2, 3 and 4 are expected to sign the agreement and younger pupils need to discuss it with you and you can then sign on their behalf.

It is important that pupils and staff are aware of the safeguarding issues surrounding using computers and the internet. Please take a moment to read our Esafety leaflet which can be found on the school website <http://www.catshillfirst.co.uk/index.php?page=esafety>.

Please return the signed agreement by Friday 9 December.

Mrs Mercer
Computing Co-ordinator
