

Catshill First School and Nursery

Date of Issue: Friday, 07 July 2017

Dear Parents

We are using part of our Sports Premium Funding to provide swimming opportunities for our Year 4 children again.

In order to plan our provision we would appreciate you providing us with some information about your child's swimming ability. Please could you return this information as soon as possible (by Monday 10th July at the latest).

In September will inform parents of the children who will be taking part in the first group of sessions and provide further details.

Many thanks for your continued support

Mrs Jones and Miss Moody
