

Catshill First School and Nursery

Summer Holiday Challenges

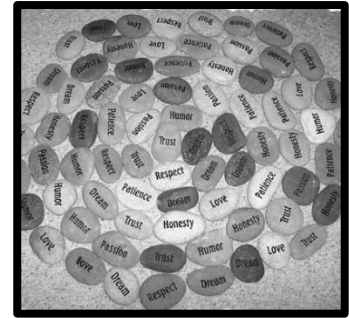

Can you complete 1, 2, 3, 4 or even all 5 of our challenges?

All entries will receive a certificate. There will be some prizes too!

1. Find a stone and write one of our school values on to it for our values display. You can do as many as you like!

Here are our values for this year: caring, sharing, respect, joy, pride, courtesy, diversity, tolerance, co-operation, positive attitude, hope.

These are the values planned for next year: responsibility, kindness, friendship, thoughtfulness, doing you best, love, inclusion, fairness, resilience, honesty, loyalty. We don't mind if you add you own!

2. Find an unusual place to read a book and get someone to take a photo of you reading it! Can you read on horseback like Harry? Can you read whilst buried in sand? Where else can you read? You can email the picture to us at school on: homelearning@catshillfirst.worcs.sch.uk (please remember to put your name and new class)

3. Keep a diary for a week. It can be for any part of the holidays or some days throughout. You can add pictures if you like.

4. Learn a new skill and tell us about what you have learned. Can you learn to skip? To do your laces? To cook a meal? Why not take some photos to record your achievement?

5. Find 100 of something! Can you collect exactly 100 items in a sandwich bag or take away carton? Choose something that will last so that we can display them at school in the autumn term.

Bring/send in your entries in the first week back in September.
