

Catshill First School and Nursery

7th September 2015

Dear Parents

We have decided to use part of our Sports Premium Funding to provide swimming opportunities for our Key Stage 2 children this year. To begin, we will be taking 16 pupils to the Dolphin Centre on Tuesday mornings where they will receive lessons from a qualified instructor. Children will be transported by minibus and will be supervised at all times by school staff.

In order to plan our provision we would appreciate you providing us with some information about your child's swimming ability. Please could you return this information as soon as possible (by Friday 11th September at the latest) as the first session will take place on Tuesday 15th September).

We will inform parents of the children who will be taking part in the first group of sessions and provide further details.

Many thanks for your continued support

Georgia Plant

Mrs Georgia Plant

Head of School

Please return this section to school before Friday 11th September

_____ (child's name) _____ (class)
